LONDON STUDIO CENTRE: BRIEF HISTORY

The internationally recognised Higher Education Conservatoire, prides itself on training excellent dancers, singers and actors, allowing students to specialise in classical ballet, contemporary dance, jazz dance and musical theatre. But also producing graduates who have formed their own companies and established themselves as choreographers, teachers, producers and directors. London Studio Centre offers a comprehensive suite of programmes/courses including a BA (Hons) Theatre Dance programme for students who are dedicated to the pursuit of excellence in all aspects of the theatre, an MA in Dance Producing and Management, for students looking to move into the production side of dance theatre making. An MA Dance Performance in all four specialist areas of classical ballet, contemporary dance, jazz dance and musical theatre. A Foundation degree in Professional Dance Performance, a BA Top Up Professional Performance, an MA in Dance Education and a PGCert Teaching Professional Theatre Dance providing a robust offering of Higher Education provision.

London Studio Centre is rooted in Western theatre dance forms, and enjoys a tradition of dance education dating back to the end of the 19th century, when Leon Espinosa (1825-1904) settled in London. In 1872, he established a school for ballet and related theatre arts, after having trained at the Paris Opera and then danced and taught at the Bolshoi Theatre in Moscow. His son Edouard Espinosa (1871-1950) continued the family tradition as one of the founders of the Royal Academy of Dance and then the British Ballet Organisation.

London Studio Centre's founder, Bridget Espinosa, was heir to this distinguished tradition, to which she contributed her own expertise as a dancer and director. Under her leadership LSC pioneered a multi-disciplined dance education fitted to the needs of the modern world of dance and musical theatre, which included the possibility of university validation of its provision. Her son, Nicholas Espinosa, continued these developments and, in 1995 Middlesex University validated London Studio Centre's BA Honours Theatre Dance programme. The Director, Nicholas Espinosa is the Chairman of bbodance and a Trustee for Yorke Dance Project.

LSC began life in and around Tavistock Square in central London. In 1987 it moved into property on York Way, next to Kings Cross Station, where it remained until 2012. In 2012 LSC relocated to artsdepot in North Finchley where it has created a unique collaborative partnership with the performing arts venue. The partnership provides the conservatoire with rehearsal and performance spaces that facilitate LSC's high quality training, and the building's bright, contemporary feel has quickly provided the ideal atmosphere for London Studio Centre's new home.

LSC's facilities comprise ten dance studios, two fully equipped theatres, acting and singing rooms, a library with IT suite and a lecture room. The triple-height atrium café and social areas also offer ample space for relaxation.

London Studio Centre is committed to providing an education in dance and related subjects for the professional theatre, in an environment where the individual creative talents of each student are nurtured. All programmes we offer maintain the Centre's mission to be a world-class conservatoire for professional dance and musical theatre, enabling artists to reach their creative potential in performance, creation and production and, thereby, shaping the future of the profession. LSC values and offers a holistic approach, one that keeps pace with recent developments in dance pedagogy. Student representation and student surveys contribute significantly to annual course monitoring and make an important and valuable contribution to quality management.

London Studio Centre is accredited by The Council for Dance, Drama and Musical Theatre (CDMT) and is listed as one of CDMT's Accredited Schools. The CDMT ensures the provision of high-quality professional dance, drama and musical theatre training through accreditation of full-time dance and performing arts schools and has provided the industry benchmark of quality assurance for professional dance and musical theatre training in the UK since 1979.

A review of the London Studio Centre by the Quality Assurance Agency for Higher Education (QAA) in May 2022, the UK's independent quality body for higher education, expressed confidence that 'academic standards are reliable, meet UK requirements, and are reasonably comparable' – the highest judgement available through the review process. The review team did identify specific improvements or areas for development.

In 2019 LSC received a Gold rating from the Teaching Excellence and Students Outcomes Framework (TEF) award from the Office for Students, cementing its 2018's Gold Award. LSC was part of a selective group of 76 prestigious universities or colleges in the UK offering excellence in higher education including; University of Cambridge, University of Oxford, The Royal Academy of Music, The Royal Central School of Speech and Drama and The Conservatoire for Dance and Drama. To be awarded a gold rating LSC has delivered "consistently outstanding teaching, learning and outcomes for its students" and be of "the highest quality found in the UK". For our 2019 rating the Office for Students noted "that students from all backgrounds achieve consistently outstanding outcomes" and that LSC graduates have "exceptionally high" employment rates and student satisfaction rates.

The majority of the teaching staff are actively engaged in professional theatre, enabling students to be aware of new techniques and trends. Students are given an unparalleled range of opportunities to gain performance experience, both in-house and in professional venues.

LSC's alumni are working worldwide with dance companies, in musicals and mainstream theatre from the West End to Broadway, in television, film and commercial dance.
