

## **VACANCY: Artistic Director of Images Ballet Company**

London Studio Centre (LSC) is an internationally recognised and OfS registered Higher Education conservatoire, which prides itself on training dancers, singers and actors for the profession. LSC delivers a range of programmes; from undergraduate provision focusing on professional performance (Classical Ballet, Contemporary Dance, Jazz Dance and Musical Theatre), to postgraduate provision covering production, performance and teaching. LSC's alumni are working worldwide with dance companies, in musicals and mainstream theatre from the West End to Broadway, in television, film and commercial dance. In the last Teaching Excellence and Student Outcomes Framework submissions LSC was awarded a Gold Award (2018 and 2019). In addition, it regularly gains excellent Quality Assurance Agency reviews. LSC is a vibrant and exciting place to work and is based in the award-winning performing arts venue, artsdepot in North Finchley.

LSC has four performing companies in Classical Ballet, Contemporary Dance, Jazz Dance and Musical Theatre, designed to provide intensive training and performance to undergraduate and postgraduate students wishing to pursue a professional performing career.

LSC wishes to recruit an Artistic Director for Images Ballet Company, who is able to lead the practical training and performance of the company, in the context of a HE performing arts environment. Since the relaunch of Images in 2015, LSC has been developing classical ballet in a modern context that reflects the ethos and diversity of its provision. It is looking for a suitably qualified individual with significant professional and teaching experience to continue with this artistic direction.

They would be responsible for the training, development and mentoring of both undergraduate and postgraduate students in the company. This would include teaching daily technique class, repertoire and associated disciplines. They would also be responsible for devising, developing and managing the production and tour for the company; initiating and developing a programme of ballet, including sourcing and working with choreographers, to showcase the students in a range of different venues across the UK.

An understanding and experience of Higher Education would be an advantage, as would a proactive approach to continuing professional development
